ANCARANI SIGNORE FAMOSO

Claudio is most often found in the vineyards he inherited from his grandfather. Santa Lucia is a small town next to Faenza on the Romagna side of Emilia-Romagna. The soft rolling hills become the mountains of the Appennines and it is here that a revival is occurring. Indigenous, heritage varietals are being rediscovered and revived, and Claudio is absolutely a part of this revolution.

VINTAGE: 2018
