CANETTA VIN ROSÉ

Canetta is the answer to Paris-based sommelier Luca Pronzato's desire to "drink well, but in moderation". He teamed up with Clara Cornet and David Miqueres to create natural canned wines from Catalan vineyards, taking quality, design and sustainability all equally into account. Each can measures a glass and a half and are available in 12-packs and 4-pack retail boxes.

VINTAGE: 2022
