## GLASSMAKER NORTH COAST RED BLEND

Jonathan Walton started Glassmaker in 2015 after years of grinding away in tasting rooms and wineries from New Zealand to New York. "Glassmaker", Jonathan's mother's maiden name, pays homage to his lowan farming roots. It's a project with a lens focused on the future, asking questions of what California wine will be as our climate dramatically changes. Jonathan is an incredibly thoughtful winemaker producing beautiful, natural wines that anyone can enjoy.
