CHATEAU LANDRA LE P'TIT LANDRA

In 2007, Cecile & Frederic discovered Chateau Landra at the foot of Mount de Vaucluse. It was a magnificent domain even after a century of neglect. And for them, it was love at first sight. With 9 hectares of older vines (50+ years), Chateau Landra produces 40,000 bottles of white, rosé and red wines.

VINTAGE: 2019
